

# RECENT PUBLICATIONS

Recent Publications is a compendium of books and articles on cartography and cartographic subjects that is included in almost every issue of *The Portolan*. It is a resource for anyone interested in the subject matter. Given the dates of original publication, some of the materials cited may or may not be currently available.

The information provided in this document is exactly what is in the most recent issue of *The Portolan*, number 119.

To search for a name or a topic or a specific issue, type Ctrl-F for a Windows based device (Command-F for an Apple based device) which will open a small window. Then type in your search query.

## ***The Portolan* 119 (Spring 2024)**

### **Recent Publications Compiled by Louis Miller**

*This is a listing of recent publications (articles and books) about maps, cartography, geography, and related fields. Besides the latest information below, a complete and searchable listing of the past ten years of these columns is accessible FREE at <https://washmapsociety.org/recent-publications>. Click on that link to open in Adobe Reader or similar programs, and you can search or browse. To search, as you would on any browser page or .pdf document, hit ctrl-F, look for the dialog box, and enter the text for which you wish to search.*

Editor's Note: Please supply materials for this column directly to Louis at [louis.miller@maine.edu](mailto:louis.miller@maine.edu)
